

"Theodore N. Vail bought a farmhouse on this site in 1883. Continually enlarged by Vail, it became his permanent residence and office. Conferences held here culminated in the creation of the American Telephone and Telegraph Company with Vail its president, who proceeded to develop the world's first mass communication system."

IN MEMORIAL,  
DOUGLAS G. ORR

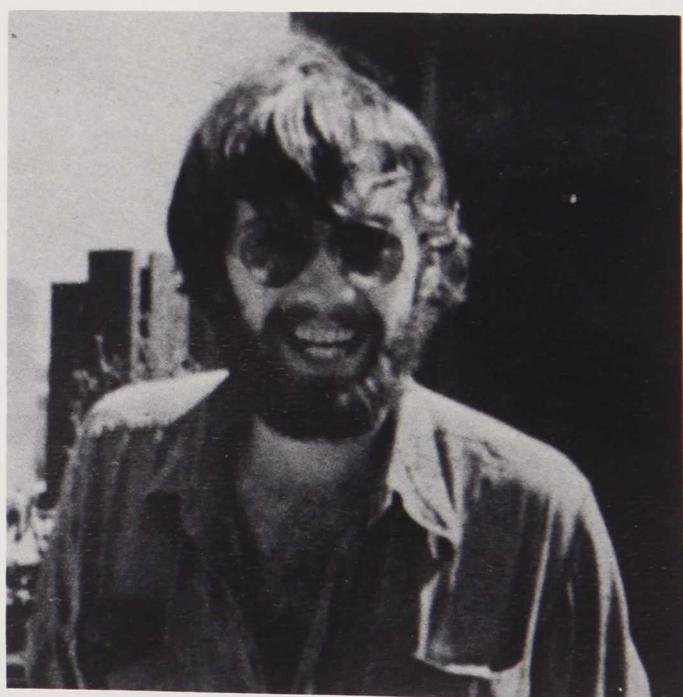

A Beaner in every sense of the word, driving his van on late nights with the roof open and running out of gas, "Wake up, you Lagers", fu manchu, hot dogs — 10 at one sitting, Volkswagen, V3307, Sputbutz, dream car, Florida, "New York State of Mind", MG Midget, Old Cutter Inn, Earl & Elsie in an A-frame on Holiday Haven Road, Lost in a fog bank on I-89, 7/22/77, 12:22 p.m., age 22.

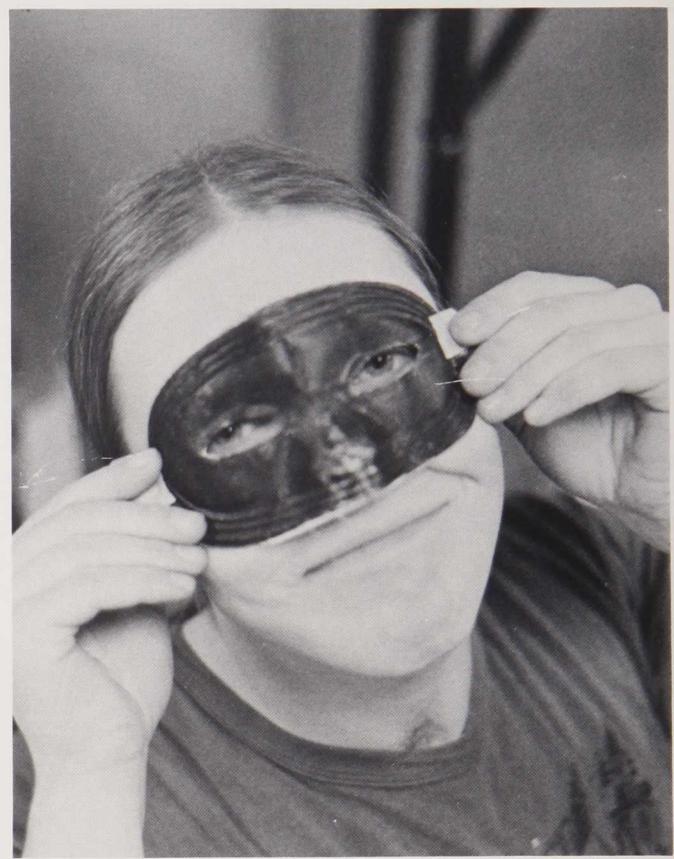

From J.B. and the rest of the Beaners,  
and your lady Kimberly.

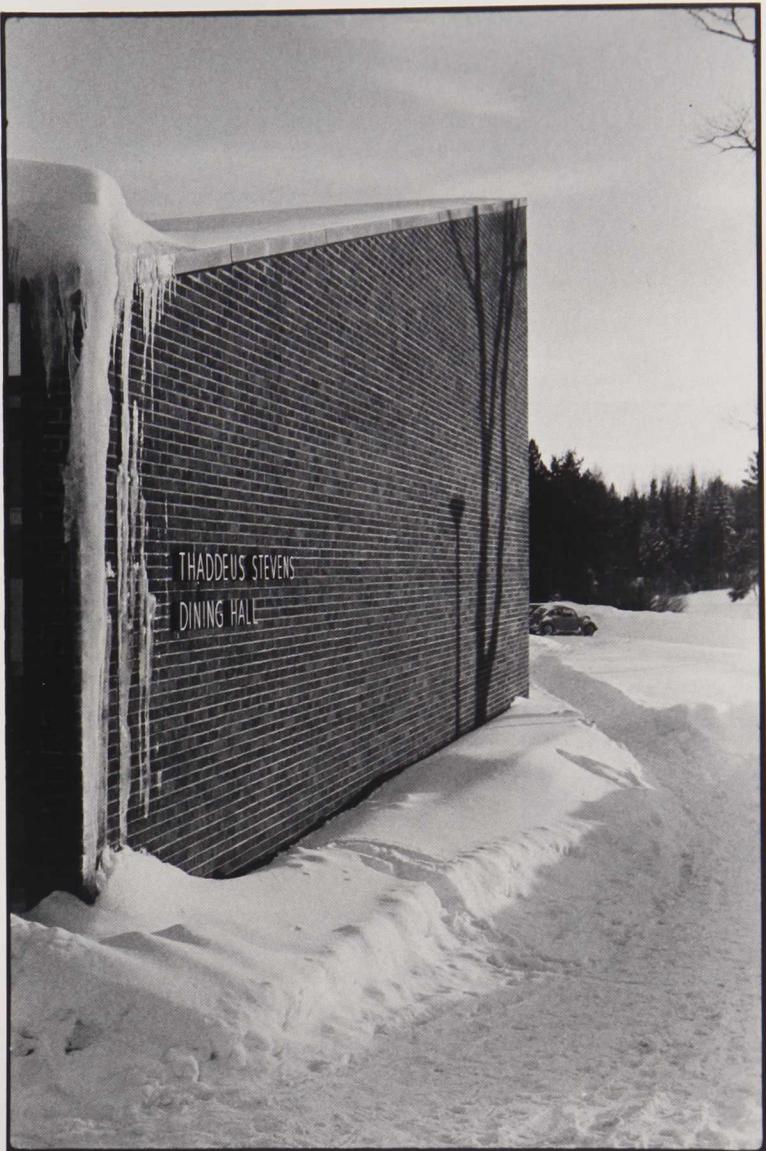

"They say that these are not the best of times,  
But they're the only times I've ever known . . .  
For we are always what our situations hand us,  
It's either sadness or euphoria." Billy Joel

— For Douglas, from Kimberly —

"Yes, I've been dreaming about you every day,  
Each and every day.  
And I've been thinking about you all night long,  
I even wrote a song.  
Just to let you know how I really feel,  
To make you understand my love is real.  
That you're on my mind all the time  
Wish to God you were mine — once again.  
I remember walking with you,  
I remember talking with you,  
I remember laughing all the time,  
when you were mine.  
I remember being with you,  
I remember dreaming with you,  
I remember loving — you were mine."

## LSC RESCUE SQUAD

The Lyndon State Rescue Squad is a student organization providing free emergency medical care twenty four hours a day, three hundred sixty five days a year. They are located in the new Emergency Services Building on College Road, and serve the college and eight surrounding towns.

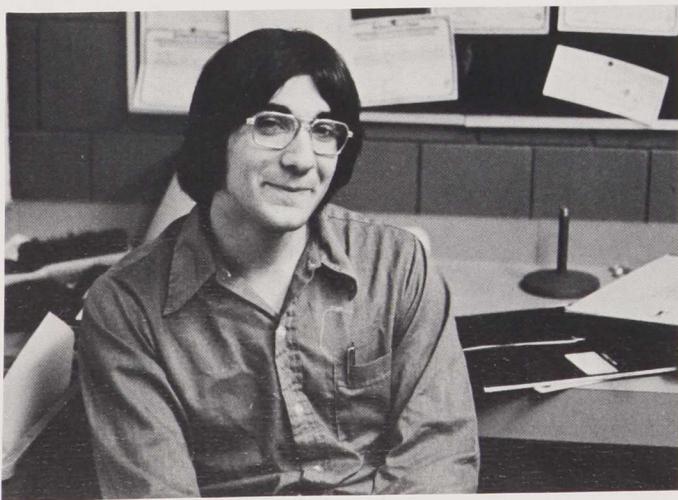

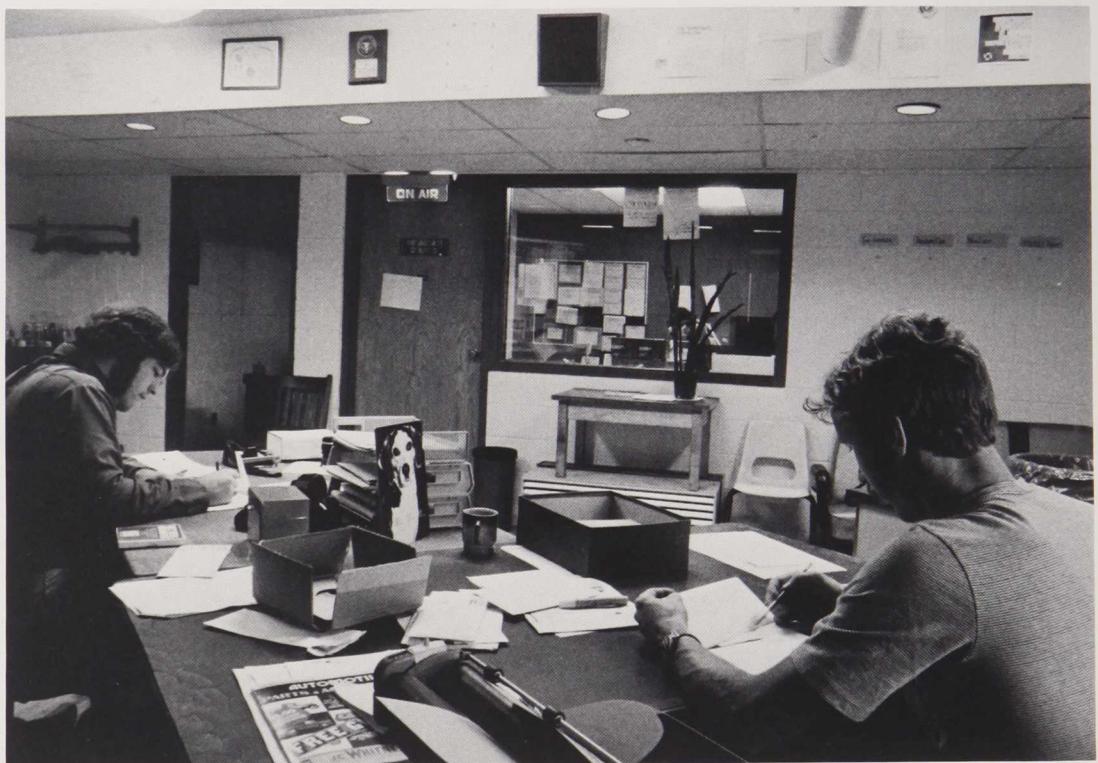

The squad consists of twenty five students, all trained in advanced first aid. They have ten Vermont certified Emergency Medical Technicians, all highly experienced, with another nine taking the course at Northern Vermont Hospital in St. Johnsbury. All members are certified by the Vermont Heart Association in Cardiopulmonary Resuscitation.

To this date the squad has answered over 1600 calls since its formation in January, 1972. In 1977 they answered a total of 292 calls.

Transportation is provided by two vehicles, a 1970 cadillac Superior Highrise and a 1971 Cotner-Bevington Olds 98. Each ambulance has more than enough equipment to be certified by the state of Vermont.

## Changing

Why is it hard to part  
When parting is just a new beginning?  
A new beginning in a new life.  
A new beginning with new people.  
A new beginning with new dreams.  
We all must part with the things  
We love, enjoy, and treasure.  
For if we were to hold on to  
Our old life, we would never  
Learn the changes life shows us.

J.J.M.E.

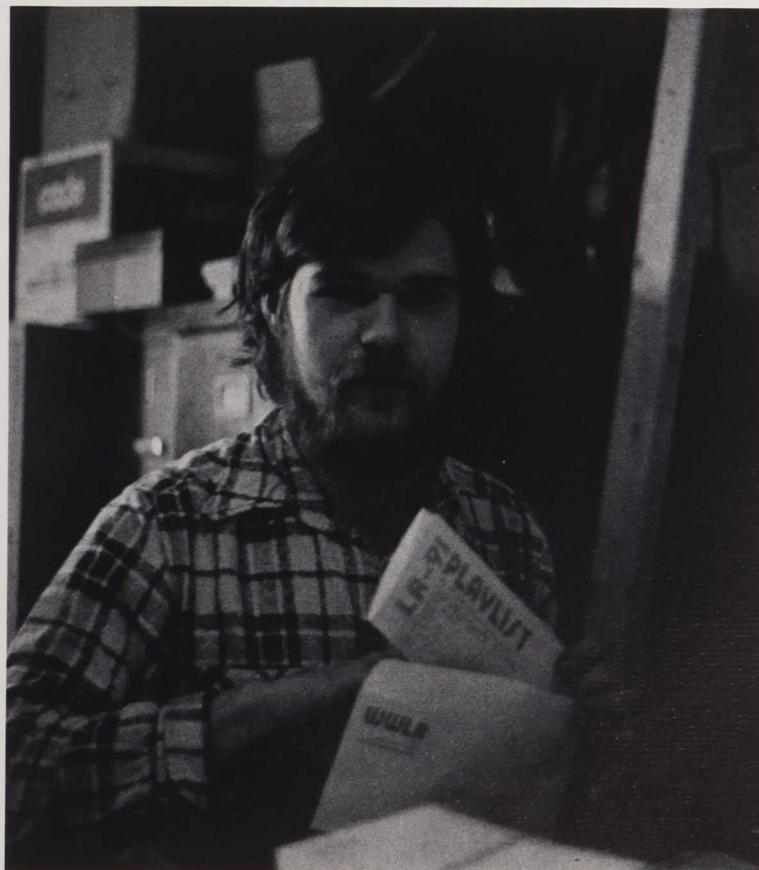

open yellowed pages  
a yearbook of long ago,  
oh, those youthful ages.  
think . . . i loved them so.

look, all the writing,  
names i don't remember.  
senior pictures, how delighting!  
they spark a glowing ember.

people i see no more  
shall i forget them forever?  
shall my mind close the door  
on the hardships we endeavored?

no, now i remember them all,  
these people of the past,  
the short ones, skinny, fat and tall,  
yes, the years go so fast.

The opening of New Vail changed the social as well as physical environment of Lyndon. The Student Center is the perfect meeting place as every day students gather there and in the game room to relax between classes. On weekends the Student Center is alive with the sounds of Rock & Roll, folk guitars, and blue grass. Hungry students head for the snack bar enroute to that night's movie or to satisfy a thirst after a hard game of pool.
